Jay,

April 4 would work well for us. How does 1:30-3:30 look for you. We may not need all 2 hours, but I have 2 other smaller DF topics I would like to take the opportunity to discuss with yourself and Greg. If this works with you guys, I'll send our information prior to the meeting.

Thanks,

April 3 is not a good day, but April 4 would possibly work. I have a spot from 9-12 reserved on my calendar for "Cummins AECDs" (which I believe was scheduled by Victor), but we could meet in the afternoon.

Jay,

Due to some conflicts, I'll have to move this meeting out a week later. How does your schedule look for April 3 or 4? I was thinking a morning meeting around 10am would be good, but we will be there all day so we can work around your schedule. We will send our proposal prior to the meeting in order to make our visit most productive.

Thanks,

Hello Tim,

It looks like 3/29 is pretty open for us right now, so please suggest a time. It would also be most beneficial if you could outline what your latest HHP DF proposal is ahead of time.

Best Regards,

Jay Smith
